HOUSEINK Submission Information Sheet

Photograph Submission Guidelines

Thank you for your interest in contributing to HOUSEINK Publication! Our contributors make this publication what it is, and without your words, insight, photographs, and experiences, we would have nothing to distribute.

When submitting photographs to HOUSEINK, please follow these guidelines:

- All text and images must be property of or permissioned to (in writing) the submitter
- Include all images relevant to the article, transferred via CD or Dropbox.com <<http://Dropbox.com>> or digital contact sheet for review
- Image requirements: If you can edit- full res jpeg at 300dpi with conservative light and color corrections, if not send the original file. HI Editors reserve the liberty to adjust images as needed to fit HI publication standards (outlined in the submission agreement). Include photographer credits and captions as an accessory document. Text: send as PDF or word document with working title, author and date in the header line. HI Editors again reserve the liberty to adjust as needed to meet HI publication standards
- Final layout proofs will be supplied to submitter for review prior to press (yay or nay?)
- HOUSEINK will only consider original and exclusive content. Material discovered to be republished pre or post press will constitute a violation of the HOUSEINK submission agreement.
